- Check room schedule for WPS 301 for available open lab times throughout the week.
 - There are not many—use the time available during your regular lab time.
 - Labs will not be open over the weekends.
- During open lab, please return all models, keys, specimens, slides and microscopes to their proper place. Failure to do so may result in suspension of all open lab time.
- It may be possible to attend open lab during the *last hour* of any 2021 lab during the week. However, you must ask the instructor before entering the lab for review.
